

Dear Parents/Carers,

18th January 2022

Yr 5 and 6 Winchester Science Centre and Planetarium Trip

We are pleased to inform you that we have arranged an exciting learning opportunity for the children in Year 5/6 to visit Winchester Science Centre and Planetarium.

This is going to be our final trip outside of the Chichester area for the year. We are very excited to give the children the opportunity to visit a real planetarium and have the opportunity to be a real life 'Star Hunter'. They will also have the chance to become scientists for the day taking part in multiple workshops and museum experiences.

The trip will take place on Tuesday 1st March. We will be travelling by coach, leaving school at 8.20 am and returning at the end of the school day. Children will need to arrive at the school office at 8.10 am, wearing school uniform and have with them a coat, a bottle of water and a packed lunch, in a disposable bag. If your child is in receipt of free school meals, please indicate on the slip below if your child requires a school packed lunch. Please note all school packed lunches are vegetarian.

To cover the cost of the trip we are asking for a voluntary donation from each child of £20 payable by Parentmail. Please note that if we do not receive sufficient contributions towards the cost of the trip, we may have to cancel it.

Please fill in the permission slip below and return to school as soon as possible. If you have any questions, please contact the school office.

Kind regards,

Miss. Bruce, Mr. Crispin, Miss. Edwards & Miss. Fletcher

Yr 5 and 6 Winchester Science Centre and Planetarium trip on 1st March 2022

I give permission for my childin Class to attend the trip on 1st March 2022.

My child is entitled to a free school meal and I would like the school to provide my child with a packed lunch.

I have paid £20 on Parentmail.
