

JUST ONE TREE DAY

OCTOBER 15TH 2021

UNITING FOR A GREENER FUTURE.

Join thousands of school kids across the UK in their non-uniform **JUST ONE Tree Day on 15th October 2021.**

A day of fun and education for children to connect with the importance of our natural world. Each child is encouraged to bring in £1 to fund the planting of their tree, helping to reforest our planet and showing how they can make a difference.

Educate, reforest and help compensate for your school's environmental impact!

For every ONE pound donated, JUST ONE Tree plants a tree. Working with our partners in 7 different tropical countries we help empower local communities, reduce deforestation, increase biodiversity and combat global heating.

"One of our year 4 pupils was so inspired by our JUST ONE Tree Day, that she took it upon herself to write to the Prime Minister about the dangers of deforestation".

Lisa Maaskant, St Leonard's First School, Dunston
