Year 5/6 Boys Football

The Year 5/6 team battled courageously in their first tournament of the year. They came together as a team and were unlucky to miss out on 2nd place. Mr. Dallinger was very proud of their effort. Not pictured in the photo unfortunately is Junior, as he had to make his way to his Sussex team football training. We are also taking part in a school league. We are currently unbeaten and look forward to completing our fixtures throughout the school year.
