By Annie, Lillie-Mae and Sophie O

On November 7<sup>th</sup> 2024, Kingsham 5/6 girls football team played in a football tournament at the University of Chichester. Kingsham's first game was against Chichester Free School (CFS). We won 3-0 leading onto playing Portfield also winning 3-0. West Dean went up against Kingsham next, which led to Kingsham winning again 2-0! We played The March in the semi-finals where we again remained undefeated. Leading onto playing Lavant in the finals who we won 3-0. The whole tournament we conceived no goals getting us into the county finals. The county finals will be held later in November at The Arena in Bognor Regis. We will play against teams across the Bognor and Bourne area. If we remain undefeated, we will represent West Sussex in the southern regional championship.
